A BLINKING EYE

Enjoy creating this fun origami blinking eye. Decorate it to make it your own. When you’re done, we’d love for you to share your mad creative origami skills with the Florida Tech community. Take a photo of it (include your face in the photo) and post it on Instagram using the hashtag #fitorigami.

1. Fold in half to make creases.
2. Fold in the dotted lines.
3. Fold in the dotted lines.
4. Open them.
5. Fold in the dotted lines.
6. Fold in the dotted lines.
7. Draw a black eye.
8. Fold in the dotted lines.
9. Turn over.
10. Fold in the dotted lines.
11. Pocket fold in the dotted lines and fold back.
12. Fold a bit forward.
13. Turn over.
14. Finished.

Pinch both sides and flirt the eye.
