THE ROCKET

Enjoy creating this fun origami rocket. Decorate it to make it your own.
When you’re done, we’d love for you to share your mad creative origami skills with the Florida Tech community. Take a photo of it (include your face in the photo) and post it on Instagram using the hashtag #fitorigami.

1. Waterbomb base.

2. Fold and unfold. Repeat behind.

3. Swivel fold.

4. Squash fold.

5. Repeat steps 3–4 on the other 3 sides.

6. Turn one layer to the right.

7. Raise point so that bottom edge lies horizontal.

8. Unfold to step 7.

9. Crimp fold.

10. Turn one layer to the left.

11. Repeat 6–11 on the left and on the back.

12. Hide small points with zig-zag.

13. Lock the flaps mountain folding two layers together (or better, reverse fold near P). Repeat behind.

14. Separate the flaps and blow up to inflate the rocket.

15. Finished rocket
